Atty. Docket No. US056-0272RE1

**SUPPLEMENTAL REISSUE APPLICATION DECLARATION**

As a below named inventor, I hereby declare that: My residence, post office address and citizenship are stated below next to my name. I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in U.S. Patent Number 6,376,519, granted on April 23, 2002 and for which a reissue patent is sought on the invention entitled:

**1-(4-SULFAMYLARYL)-3-SUBSTITUTED-5-ARYL-2-PYRAZOLINES AND INHIBITORS OF CYCLOOXYGENASE-2**

the specification of which (check one)

☐ is attached hereto.☒ was filed on July 29, 2003 as United States Reissue Application Serial No. 10/630,397 and was amended on July 29, 2003, July 14, 2005, January 17, 2006 and July 7, 2006.

I have reviewed and understood the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability in accordance with Title 37, Code of Federal Regulations, §1.56.

I verily believe the original U.S. Patent Number 6,376,519 to be partly inoperative or invalid by reason of an error wherein the patentees claiming more than they had the right to claim in the patent. All errors being corrected in the present reissue application up to the time of filing of this declaration arose without any deceptive intention on the part of the applicants. Any error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicants.

Atty. Docket No. 06056-0272RE1

At least one error upon which refusal is based is described as follows:

The phrase in claim 1, "is selected from the group consisting of trihalomethyl and C<sub>1</sub>-C<sub>6</sub> alkyl," to the extent that X is C<sub>1</sub>-C<sub>6</sub> alkyl, embraces certain compounds disclosed in Mokhtar et al., *Pakistan J. Sci. Ind. Res.*, Vol. 28, No. 1, pp 85-91, April 1985; and Beilotti, A., *Ann. Chim. (Rome)*, Vol. 50, 1960, pp 1074-1079, thereby rendering that claim invalid.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
